Contract Holder

CoSolutions EIS Joint Venture (CEJV): EIS received approval in September 2009 by the SBA for acceptance into its 8(a) Mentor-Protégé Program. EIS’ SBA approved 8(a) Protégé is CoSolutions, Inc of Sterling VA. Together, EIS and CoSolutions formed a Joint venture (CoSolutions EIS JV, or CEJV). CEJV is approved under the SBA 8(a) Mentor-Protégé Program to provide the Federal Government with a broad range of high quality information technology, program management and administrative support services. CEJV was awarded a GSA STARS II contract.

CEJV is a Small, SDB, and 8(a) business entity under the GSA 8(a) STARS II contract and the contracting agency will receive full SDB and 8(a) credit for all awarded task orders.

Program Description:

8(a) STARS II, a small business set-aside GWAC, provides flexible access to customized IT solutions from a large, diverse pool of 8(a) industry partners. With a \$10 billion program ceiling and a five-year base period with one five-year option, 8(a) STARS II allows for long-term planning of large-scale program requirements while strengthening opportunities for 8(a) small businesses

Constellations/ Functional Areas (FAs):

Two Constellations Based on Industry Accreditation:

8(a) STARS II industry partners are classified in two Constellations. Industry partners in both Constellations have competitive pricing and technical proficiency. Constellation II also includes industry partners with an additional industry credential, such as Capability Maturity Model Integration (CMMI) or ISO 9001 (quality management system).CEJV member EIS holds ISO 9001:2008, ISO 20000:2005 and CMMI Level 2 certifications supporting CEJV’s award to support both Constellations.

CEJV was also awarded all four Functional Areas (FAs), corresponding to the following North American Industrial Classification System (NAICS) Codes:

<u>FA</u>	<u>Title</u>
FA1- 541511	Custom Computer Programming Services
FA2- 541512	Computer Systems Design Services
FA3- 541513	Computer Facilities Management Services

Payment/ Contract Terms:

Low 0.75% Contract Access Fee: GSA STARS II has the same low contract access fee as GSA Schedules. The contract access fee of 0.75% is built into CEJV’s labor rates. CEJV pays this fee directly to GSA. There is no fee for Client Agencies utilizing the STARS II contract.

Access to Multiple Types of Task Orders: 8(a) STARS II offers fixed price, time and materials, labor hour, and blended task order types, providing greater flexibility in procuring different types of IT products and services and meeting your mission requirements: 8(a) credit can be easily transferred back to client agency via the Federal Procurement Data System (FPDS).

Agency Benefits: Awards are Non-protestable, except on the grounds of Scope, Maximum Order Limitation and/or Period of Performance;

- Task Orders may be issued one of two ways:
 - Client Agency Contracting Officer (CO) can request Delegation of Procurement Authority from the GSA SB GWAC Center, after which the Agency CO issues and manages the orders directly and provides a copy to the SB GWAC Center. Please Note: Delegations are quick and easy to request. For additional information, please see page 12 of the 8(a) STARS II Ordering Guide.
 - Through GSA, Federal Technology Services (FTS) assisted services.
- Incremental Funding is permitted.
- Hardware, Software and Related Supplies can be procured as part of an integrated solution.
- Subcontractor Teaming Arrangements are permissible and extremely flexible at the task order level.

Order placement: GSA FTS Client Support Centers or Delegation of Authority from Procuring CO.

Geographic coverage: Continental United States, some Worldwide.

Order Limits: \$10 billion

Processing Time: 1 – 2 days
